Answers to common questions about how the Institute works.

AUDIENCE	Visitors, learners, institutions, contributors

Common questions

QUESTION	ANSWER
Is there a physical office?	No. The Institute works online.
Are these school courses?	No. The audience is adult professionals and curious learners, not school pupils.
How do I express interest in a course?	Use the booking inquiry form to select a course, describe your goal, and request the most suitable format.
Can institutions request custom training?	Yes. Seminars, lectures, and institutional training can be designed around a specific audience and goal.
Will other experts contribute?	Yes, selected contributors may be invited when their expertise, quality, and learning design fit the Institute standard.
Are free resources really free?	Yes. Free resources download directly from this website, with no payment.

Use these answers to understand how the Institute works and where to start.
