AdriaMont INSTITUTE

SEMINAR SHEET

Professional Seminars

Focused learning sessions for people who need practical expertise quickly.

Written for adult professionals and curious learners.

A compact seminar format for professionals who need stronger understanding, better questions, and usable tools in one topic area.

LENGTH	90 minutes, half day, or short series
DELIVERY	Live online or recorded with supporting materials
AUDIENCE	Professionals, teams, analysts, researchers, HR, education, evaluation, policy, NGOs

Good fit topics

- Skill assessment and measurement literacy.
- Evaluation questions and indicator quality.
- Reading assessment reports responsibly.
- Social and emotional skills in adult learning.
- Responsible AI workflow review.
- Evidence synthesis for decision support.

Included materials

- Seminar deck designed for the specific audience.
- One practical template or checklist.
- Short reading or resource route.
- Optional recording and follow-up Q&A.

Request this format when a team needs expert input plus a concrete work product.
